

Location: **Downtown**

Compensation: **Based on experience**

Job Title: **Job Captain**

YBA Architects is seeking a Job Captain with excellent design skill and a strong knowledge of architectural design. This position will involve all stages of design and construction, with a focus on mixed-use multi-family, office and retail work of all scales.

As job captain it will be your responsibility to oversee, contribute to and ultimately own the documentation portion of a ground-up architectural project including all phases: schematic design, design development, construction documentation, permitting and construction administration. You will have the production support of a team and the direction from a project manager and principal. The education required for this position is a Bachelors or Master's degree in Architecture.

Qualifications:

- At least 5 years' experience practicing architecture.
- Full documentation production for a ground up building.
- Performing construction administration tasks for a ground up building.
- Team management experience.
- Experience working with contractors, sub-contractors and consultants.
- Experience writing specifications for a larger, ground up building.
- Knowledge of Oregon building codes and LEED standards.

Technology skills must include expert level knowledge in the following programs:

- AutoCAD
- Adobe Suite
- SketchUp and VRAY
- Must be comfortable using Revit, expert level is preferred.

YBA Architects is a planning, architecture, and interior design firm based in Portland, Oregon. As a group of diverse individuals, we seek to investigate all project types with freedom and collective dedication. We strive to marry current economic demands, community interests, and global concerns with human experience and contemporary craft.

YBA Architects offers a competitive salary and a comprehensive benefits package to include: medical, dental, vision, and reimbursement plans, education reimbursement program, and paid time off (PTO).

Please submit resume and portfolio along with a cover letter outlining your suitability for the role to info@yb-a.com with "Job Captain" in the subject line. Please include salary requirements and availability, and please do not send attachments exceeding 6 MB. Responses without cover letter will be discarded without review. No phone calls, please.
